The University of Namibia Alumni Association

Background:

Established in November 2002, the UNAM Alumni Association is home to over 10 000 graduates of the University of Namibia and the university component of the Academy for Tertiary Education. The Association serves as a formal link between UNAM and its graduates and is a vehicle through which Alumni can influence University policy on academic and administrative matters.

So take that first step, join the UNAM Alumni Association and contribute to the further development and progress of your Alma Mater.

Your UNAM Alumni Infinity card puts real spending power in your wallet

With your Alumni infinity card, your wallet grows every time you go shopping at infinity partners near you and many more in Namibia. The more you spend, the more rewards you earn that is real money credited to your card. What's more, you don't have to wait for months to reap your CashBack Rewards as they are available within 48 hours.

How to use your UNAM Alumni Infinity Card

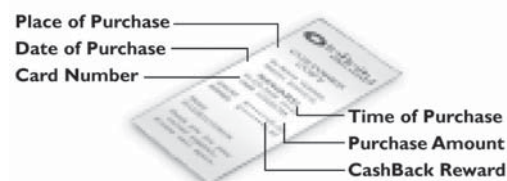

- 1 As soon as you receive your card, store it safely in your wallet or purse, so that you can use it whenever you go to one of our partners. Use it to earn CashBack Rewards whenever and wherever you shop or stay at the many infinity partners countrywide.
- 2 Remember that your card earns CashBack Rewards every time you use it at our partners. Simply pay the way you prefer: cash, credit card or with your accumulated CashBack on your card.
- 3 The card will be processed through the partners credit card terminal. The receipt produced will show your CashBack Reward, the amount of the purchase just made and the remaining balance of your CashBack. You may now use your CashBack Rewards to purchase anything your heart Desires.
- 4 Infinity partners without terminals will conduct a manual transaction, and your reward will be credited to your card within 7 days.
- 5 To get a statement of all your transactions and the current balance on your card, call Namibia 061-25061 or visit www.endlessrewards.com. Just log onto the website

by entering your card number and select a password. Then click on the "VIEW ACCOUNT" button to get your statement and balance. Use the same telephone number and website address to see if you have won a price.
